Good evening Monier,

Please find attached the *Application for Part II (Standard Procedure) Appointment* for officers to have Authorization to perform police duties in Ontario. The application must be originally or digitally signed by an "Extra-provincial commander or designate". We have populated some areas of the form—please review for accuracy as applicable to your members.

Also attached is the Indemnification Letter Template which shall include all of the attending officers being requested (one letter for all officers is acceptable). Provinces that DO NOT have to complete this indemnification are Quebec, Manitoba, Saskatchewan, Nova Scotia and New Brunswick. This template must be completed on your agency's letterhead and must be signed by someone with authority for the Indemnification.

Please ensure officers attending have firearms training within the last twelve (12) months. Please let me know if you need any clarification or have any questions.

Thank you, Wendy
